Try for Health

222 South Peoria St., CHICAGO, ILL., Oct. 7, 1902. Eight months ago I was so ill that I was compelled to lie or sit down nearly all the time. My stomach was so weak and upset that I could keep nothing on it and I vomited frequently. could not urinate without great pain and I coughed so much that my throat and lungs were raw and sore. The doctors pro-nounced it Bright's disease and others said it was consumption. It mattered little to me what they called it and I had no desire to live. A sister visited me from St. Louis and asked me if I had ever tried Wine of Cardui. I told her I had not and she bought a bottle. I believe that it saved my life.
